This Power of Attorney is given by a Bahraini employer to a recruitment agency registered with the Labour Market Regulatory Authority (LMRA) to act for the employer in obtaining and renewing work permits, submitting the employment contract and dealing with the LMRA, the Ministry of Interior (NPRA) and the embassy of the sending country. It does not transfer the employer's obligations under Law No. 36 of 2012: the employer remains responsible for wages, accommodation, medical care and the return ticket. The agency may not receive wages, keep passports or charge the worker any fee.
