FWCMS MEDICAL SCREENING AND QUOTA COMPLIANCE FORM FOREIGN WORKERS CENTRALISED MANAGEMENT SYSTEM

TEMPLATE — COMPLETE EVERY [FIELD] BEFORE SIGNING

[WORKER_NAME] · [PASSPORT_NO] · [FOMEMA_REF] · [EMPLOYER_NAME]

This form records the employer's FWCMS registration, the worker's medical screening result and the employer's declaration on quota compliance. In Malaysia the foreign worker pays nothing for the FOMEMA screening: the fee is the employer's obligation, and a worker may not be required to refund it, nor may a worker who fails screening be charged for the return journey. The completed form, the FOMEMA result sheet and the hospital's stamp are kept in the worker's file and produced to the Labour Department on request.

Borang ini merekodkan pendaftaran FWCMS oleh majikan, keputusan pemeriksaan perubatan pekerja dan perakuan majikan mengenai pematuhan kuota. Pekerja tidak boleh dikenakan bayaran FOMEMA atau kos pemulangan sekiranya gagal pemeriksaan perubatan.

4. QUOTA AND COMPLIANCE DECLARATION

- ☐ The worker is counted against a valid KDN quota and the approved sector matches the occupation offered; the quota is not exceeded.
- ☐ The levy of RM 410 (plantation / agriculture) or RM 250 (manufacturing, construction, services) per worker per year has been paid for the current year.
- ☐ SOCSO and EIS contributions are paid from the first month, including the 1.75% employer share for foreign workers.
- ☐ The security bond required by the Immigration Department is lodged and the bank guarantee reference is recorded.
- ☐ Accommodation has been certified against Act 446: at least 3.0 sq m sleeping space per worker, a bed per worker, water, sanitation and ventilation.
- ☐ Nothing has been charged to the worker for FOMEMA, levy, bond, insurance, medical treatment or the return ticket.

5. MEDICAL TREATMENT AND INSURANCE

PANEL CLINIC FOR TREATMENT	WORK INJURY INSURANCE POLICY	COVER (RM)

The employer pays for the treatment of illness or injury arising out of employment and for hospitalisation required during the permit period, and must not deduct medical costs from wages. Where the worker is diagnosed with a notifiable disease, the employer notifies the District Health Office and cooperates with the screening and treatment programme. The worker is informed of the result in a language he or she understands and given a copy.
