TEMPLATE — COMPLETE EVERY [FIELD] BEFORE SIGNING

[WORKER_NAME] · [PASSPORT_NO] · [SOCSO_NO] · [EMPLOYER_NAME]

This form records the employer's registration of the foreign worker with PERKESO (SOCSO) under the Employment Injury Scheme, the Invalidity Scheme and the Employment Insurance System, and gives the employer's guarantee to repatriate the worker when the work permit ends or is cancelled. Registration is compulsory from the first day of employment; contributions are the employer's obligation and may not be deducted from the worker's wages beyond the worker's own statutory share.

Borang ini merekodkan pendaftaran pekerja asing dengan PERKESO di bawah Skim Bencana Pekerjaan, Skim Keilatan dan Sistem Insurans Pekerjaan, serta jaminan majikan untuk memulangkan pekerja apabila permit kerja tamat atau dibatalkan. Caruman ialah tanggungjawab majikan bermula hari pertama pekerjaan.

For foreign workers the employer's Employment Injury contribution is 1.25% and the Invalidity contribution is not payable unless the worker is registered under the Invalidity Scheme at the employer's election; total employer contribution is **at least 1.75%** where both are registered.

EMPLOYMENT INJURY · INVALIDITY · EIS · REPATRIATION

All contributions are paid by the 15th day of the following month through e-Caruman or the PERKESO counter. Late payment attracts a contribution surcharge; failure to register is an offence under s. 5 of Act 4 and exposes the employer to a claim by the worker for injury benefits, medical costs and permanent disablement compensation.

4. EMPLOYMENT INJURY PROTECTION

The worker is insured for accidents arising out of and in the course of employment: medical benefit, temporary disablement benefit, permanent disablement benefit, constant-attendance allowance, dependants' benefit, funeral benefit, rehabilitation and the return-to-work programme. An accident must be reported to PERKESO within 48 hours on the prescribed form and in the Accident Report Book, and the employer must send the worker for treatment at a panel clinic without waiting for the insurer.

5. REPATRIATION GUARANTEE (JAMINAN PEMULANGAN)

The employer guarantees to send the worker back to the source country, at the employer's own cost, within 30 days after the work permit expires, is cancelled or is revoked, or immediately where the worker is found unfit by FOMEMA or is deported. The guarantee covers the air ticket, the airport levy, the cost of any escort required for a sick worker, and any unpaid wages due at the date of return. The employer may not recover these costs from the worker, set them off against final wages, or hold the worker's passport as security.

Majikan menjamin memulangkan pekerja ke negara asal atas kos majikan dalam tempoh 30 hari selepas permit kerja tamat, dibatalkan atau ditarik balik. Jaminan ini meliputi tiket kapal terbang, levi lapangan terbang dan kos pengiring bagi pekerja sakit. Majikan tidak boleh menuntut semula kos ini daripada pekerja atau menahan pasport pekerja sebagai jaminan.
