The employer authorises the agency, through its licensed EA personnel named above, to do only the following in the employer's name and under the employer's Corppass-linked MOM account:

1. **Work Permit application** — prepare and submit the application on Work Pass Online / myMOM Portal, upload the worker's passport, educational and employment records, photograph and medical-examination report, and pay the S$35 application fee on the employer's behalf (reimbursable at cost).
2. **In-principle approval (IPA)** — receive and print the IPA letter, check that the particulars match the passport, and apply for a correction through the employer if they do not.
3. **Pre-arrival compliance** — arrange the security bond and the medical insurance through the employer's bank or insurer, confirm the bond effective date, and arrange the Primary Care Plan where the worker is in a dormitory with seven or more occupants or works in a CMP sector.

4. **Issuance and arrival** — schedule fingerprint and photo registration, the medical examination on arrival and the Settling-In Programme where applicable, and arrange collection of the card.

5. **Communication** — correspond with MOM and the worker on the employer's behalf and inform the employer of any notice, request for clarification or rejection within one working day.

Not authorised: signing the employment contract, declaring the employer's salary or headcount without written confirmation, collecting any payment from the worker, retaining the passport or the work pass, arranging a loan for the worker, acting as a placement agent in the worker's country of origin without a valid licence there, or making false or incomplete declarations to MOM. Any act outside this scope does not bind the employer.

5. FEES, PROHIBITION ON WORKER-PAID FEES AND THE EMPLOYMENT ACT

The agency fee is payable by the employer and may not be recovered from the worker. The agency confirms it has charged the worker nothing for placement in Singapore, and that no part of the employer's fee, the S$35 application fee, the levy, the security bond or the insurance premium will be deducted from wages. Under s. 22 of the Employment of Foreign Manpower Act it is an offence for an employer to receive or demand any sum from a work-pass holder in connection with the employment.
