This Power of Attorney is drafted in English and Serbian. The Serbian text of any translation registered with a notary or public authority prevails before Serbian authorities; the English text governs the commercial relationship between the parties where the two differ in interpretation.

The Principal may revoke it at any time by written notice delivered to the Attorney and, where a filing is pending, to the authority concerned; revocation is effective against third parties from the moment they are notified. Acts performed by the Attorney within the scope of this document before notice of revocation bind the Principal.

The Attorney acts as an independent contractor, not as an employee or legal representative of the Principal. The Attorney warrants that it holds every licence required for recruitment intermediation in Serbia and in the Candidate's country of residence, and that it will not charge the Candidate any fee prohibited by law.

6. DATA PROTECTION — ZAŠTITA PODATAKA O LIČNOSTI
