Filing: the application is submitted in person at the competent Serbian diplomatic-consular mission, or online through the eConsulate / Welcome to Serbia portal, at least 15 days and preferably three months before travel. A D visa is issued for a stay of 90 to 180 days with multiple entries; the worker must apply for the single permit for temporary residence and work while the visa is still valid. A D visa issued on the ground of employment allows work to begin on arrival — it is not a substitute for the residence permit.
